

# CANDIDATES ARE LINING UP FOR THE WIND UP

## Who Will Be the First to Cross the 100,000 Mark

A few more days of labor, contest candidates, and the great prize contest run by this newspaper. The Morning Astorian, Astoria's best and foremost paper, will close. No newspaper in a city the size of Astoria ever gave the same values in prizes as we are giving in this contest. Bear this in mind.

Each day brings forth greater efforts on the part of the contestants. They and their friends are straining every nerve to secure as many votes as possible between now and the close of the contest. Every friend of every contestant are interesting themselves more intensely every day and are rolling up large numbers of votes and subscriptions daily. That alone shows that they do not intend to see their favorite lose, and will put forth every effort to see them lead all the way and not be beaten in the end. Get into the habit of rounding up every subscription and coupon you possibly can and keep it up. Get out among the numerous friends who have pledged their support and make a good showing every day. Lose no time if you expect to win one of the handsome prizes. Those who are advancing their scores daily stand a better chance of winning than those who stay in the same position from day to day and endeavor to make a final rush the last day or two. It is the experience of all in voting contests that candidate who are at the top secure votes from the fact that the public believes they have the best chance of winning. Your friends also think your chance the best and extend help in many ways.

There is a ballot box in the Astorian office where the votes may be deposited for any young ladies whom you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest Manager and the votes will be accorded to the young lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

### HOW TO WIN.

The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for 6 to 12 months. It costs the subscriber nothing extra to do this and they are saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.

Any young lady residing in the above mentioned territory is eligible to compete in this contest.

Anyone who desires to vote in this contest may do so by ballots cut

from the Daily and Weekly Astorian, or by special vote coupons obtained by subscribing to the Astorian. The coupons secured by subscribing to the Astorian may be held as long as desired and voted at any time up to the desired close of the contest, but ballots cut from the Astorian are only good for one week from publication and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district, but may vote for anybody in the race.

The offer affords the girls of Astoria and surrounding territory an excellent opportunity to travel or receive a business education at the expense of the Astorian.

### DISTRICTS.

The districts will be divided as follows: First district will include all the City of Astoria east of Twenty-second street; second district will include all the City of Astoria east of Ninth street to Twenty-second; third district will include all the City of Astoria west of Ninth street to city limits; fourth district will include all the towns in and around Ilwaco and Chinook; fifth district will include the towns of Hammond, Warrenton and Seaside.

### HOW THE PRIZES WILL BE DISTRIBUTED.

The automobile will be awarded to the young lady receiving the largest number of votes in the five districts. The piano the second grand prize will be awarded to the young lady receiving the second largest vote in the five districts. The trips—one in each district—the lady standing second, will receive the scholarship and the third will each receive the gold watch.

### FRANK J. DONNERBERG.

Frank J. Donnerberg, who several months ago opened a handsome jewelry store at 574 Commercial street, has won a reputation that has brought him what is perhaps the best trade in the city. After 16 years' experience in the large jewelry and watchmaking stores of San Francisco and Portland, Mr. Donnerberg came to Astoria and opened a small place at 110 Eleventh street, confining himself largely to repairing watches, and carrying a small stock of jewelry and watches. His customers found him a good watchmaker and discovered they were given fair treatment and patronized him liberally, enabling him to increase his stock rapidly. Mr. Donnerberg is a broad-minded business man, and his up-to-date stock includes all the newest styles which he purchases from New York and San Francisco wholesalers, and his establishment is a credit to the city.

## Keep the Kitchen Cool

Why swelter over a glowing range in a stuffy kitchen, when a new Perfection Wick Blue Flame Oil Cook-Stove will do the family cooking without raising the temperature enough to be noticeable?

By putting a "New Perfection" in and allowing the range fire to go out, you may make this summer's kitchen work not only bearable, but actually a pleasure. The
